TO THE PRESIDENTS OF NMLA'S

Dear President,

CMI Colloquium Capetown

The organizing committee is in the process of finalizing arrangements for the CMI Colloquium on Liberty and Safety at Sea to be held in Cape Town, South Africa on February 12-15, 2006.

The program will include discussion on Fair Treatment of Seafarers, Places of Refuge and presentations on Wreck Removal, the South African Rules on Ship Arrest and an update on UNCITRAL work on the Transport Instrument.

It would be most helpful if you could consult with your members and give us a rough estimate of the number of delegates from your association who expect to attend this Colloquium.

Registration forms will be sent out in the next few weeks, but in the meantime attention is drawn to the Colloquium website at www.cmi2006capetown.info.

All correspondence may be send to the CMI Secretariat, Attn. Miss Pascale Sterckx, email: admini@cmi-imc.org.

Yours sincerely,

Jean-Serge Rohart
President
